Tanker Fenders

JTP98

JTP105

Jonesco plastic truck fenders have superior durability and will help to increase the lifespan of the equipment they are used on.

Made of 100% recyclable polyethylene

No sharp jagged edges

Plastic truck fenders never rust, fade or need to be painted

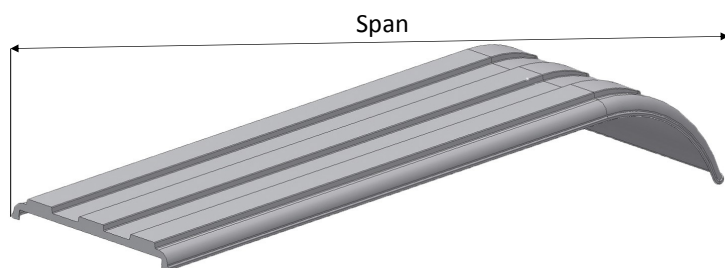

The color is molded throughout; when the fender scuffs or scratches the cosmetic damage is less visible

Never needs maintenance, other than the occasional wash

Item #	Surface	Rim Size	Width	(L) Length	(S) Span	(H) Height	(R) Radius	Kit
